The Portacool for Small Spaces

The Portacool APEX 500[™] is your compact yet powerful ally in the battle against heat. As quiet as a library at 53 dB, this unit is perfect for cooling areas of up to 500 square feet, making it an ideal cooling companion for places such as workshops, auto shops, and outdoor decks. Designed to allow for placement against walls without compromising performance, it delivers a robust 55 ft. breeze, ensuring cool comfort without disrupting the peace.

Take a closer look

- 1 Easy-to-use digital display.** Use the simple onboard controls or unlock all the features of your APEX 500™ with CoolSync™.
- 2 Space optimization.** Front-air intake allows you to place your Portacool against any wall.
- 3 Digital louver control.** The oscillating louvers allow customized airflow to maximize your cooling coverage.
- 4 HydroTek™ evaporative media.** Portacool's proprietary HydroTek™ media ensures optimal cooling and airflow while keeping costs and maintenance low.
- 5 Tough-coat housing.** Built for durability and scratch resistance to withstand the toughest environments.
- 6 Recessed hose and power cord.** Keep connections neatly tucked away, ensuring a streamlined look and portability.
- 7 Easy water refill.** Swiftly refill the 13-gallon capacity tank via a convenient hatch or through the 3/4" hose connection for uninterrupted cooling experience.
- 8 Larger back wheels.** Navigate uneven terrain and transport your Portacool anywhere with ease.
